**By Edward FIELDS : The Essentials of Finance and Accounting for Nonfinancial Managers** edward fields old bridge nj has taught the american management associations essentials of finance and accounting for nonfinancial managers for over 20 years the essentials of finance and accounting for nonfinancial the essentials of finance and accounting for nonfinancial managers the essentials of finance The Essentials of Finance and Accounting for Nonfinancial Managers:

0 of 0 review helpful AWESOME item Thanks By Manesauro AWESOME item Thanks 8 of 9 review helpful Good Introduction to the Concepts By Scott I gave this book 4 stars instead of 5 because it is a good introduction to the

concepts but lacks the practical applications that non financial managers need to retain the concepts I was first exposed to this book wh Based on the bestselling AMA seminar a nuts and bolts guide to the dollars and cents issues that drive your organization As a department manager the last thing you want to think about is numbers But the truth is that rsquo s the only thing your executives and senior managers are thinking about so it rsquo s crucial to understand key financial information like balance sheets income statements cash flow statements budgets and forecasts and annual reports With ov Before long you ll have your CFO gasping at your knowledge of GAAP Generally Accepted Accounting Principles and your command of OM Operating Margins CIO Insight
