Financial Peace Revisited: New Chapters on Marriage, Singles, Kids and Families:

3 of 3 review helpful Read then do By Natalie Gonzalez Life changing I know that sounds dramatic but it really is And I love that the logic and his instruction are easily enough to follow Though it does take discipline but so do all good things I had been working with a financial planner for years before reading this and it was really neat to find that they agreed across the board I am so thankful to have this Dave Ramsey knows what it s like to have it all By age twenty six he had established a four million dollar real estate portfolio only to lose it by age thirty He has since rebuilt his financial life and through his workshops and his New York Times business bestsellers Financial Peace and More than Enough he has helped hundreds of thousands of people to understand the forces behind their financial distress and how to set things right financially From Publishers Weekly An updated expanded version of Ramsey s first book about overcoming debt and managing personal finances this edition boasts new chapters on the relationship between money matters and family matters Originally self published in 1992 Fi
