0 of 0 review helpful Great Intro to Managerial Accounting By JK I usually find textbooks to be a bit confusing in the organization and layout but found this textbook to be quite the opposite It was extremely easy to read and with plenty of excellent examples I have to say I was dreading this class as my impression was that the topic was going to be pretty dry and boring but since the textbook was so easy to read I fou This Book 007802563X does not contain an access codeThe ISBN that contains the access code is 1259279472As the long time 1 best seller Garrison has helped guide close to 3 million students through managerial accounting since it was first published It identifies the three functions managers must perform About the Author Eric W Noreen is a globe trotting academic who has held

appointments at institutions in the United States Europe and Asia He is currently Professor of Accounting at the University of Washington and Visiting Price Waterhouse Professor of Mana
