Small Business Owners:

2 of 2 review helpful As a QuickBooks ProAdvisor I have seen so many By Alexa Gregory As a QuickBooks ProAdvisor I have seen so many of my clients who are numberphobic even when they are profitable and especially when they are not I see their eyes glaze over when they receive their monthly financial statements I am going to make it required reading for all my clients if they want to take control of their businesses Why do so many business owners dread looking at the numbers They make excuses hellip They don rsquo t have time hellip That rsquo s what the accountant is for But the simple truth is that no one else will ever be as invested in their company as they are mdash and they need to take control As a small business owner financial statements are your most important tools mdash and if you don rsquo t know how to read them and understand their implications you c Insightly Best Small Business Books of 2014 ldquo hellip highly recommend the book to any small business owner
